The Kerry Winkler Memorial Scholarship Awards

The **Kerry Winkler Memorial Scholarships** have been established in the memory of Kerry Winkler by his family and his former employer, ColdFront. The Winkler family are providing a scholarship to a student entering their second year of post-secondary studies, and ColdFront is providing a scholarship to a student graduating from high school. Kerry was President of ColdFront from 2012 to 2018, when illness required him to step down. He was a well-respected leader with exceptionally strong business and strategic skills which were reflected in his passion for his work and the transportation industry. Kerry was an active and enthusiastic participant in and supporter of the BC Trucking Association, including as a BCTA Associate Executive Committee member.
